

§ 395.3

under regulations issued to carry out such section.

Twenty-four-hour period means any 24-consecutive-hour period beginning at the time designated by the motor carrier for the terminal from which the driver is normally dispatched.

Utility service vehicle means any commercial motor vehicle:

(1) Used in the furtherance of repairing, maintaining, or operating any structures or any other physical facilities necessary for the delivery of public utility services, including the furnishing of electric, gas, water, sanitary sewer, telephone, and television cable or community antenna service;

(2) While engaged in any activity necessarily related to the ultimate delivery of such public utility services to consumers, including travel or movement to, from, upon, or between activity sites (including occasional travel or movement outside the service area necessitated by any utility emergency as determined by the utility provider); and

(3) Except for any occasional emergency use, operated primarily within the service area of a utility's subscribers or consumers, without regard to whether the vehicle is owned, leased, or rented by the utility.

§ 395.7 [Reserved]

§ 395.8 Driver's record of duty status.

(a) Except for a private motor carrier of passengers (nonbusiness), every motor carrier shall require every driver used by the motor carrier to record his/her duty status for each 24 hour period using the methods prescribed in either paragraph (a)(1) or (2) of this section.

(1) Every driver who operates a commercial motor vehicle shall record his/her duty status, in duplicate, for each 24-hour period. The duty status time shall be recorded on a specified grid, as shown in paragraph (g) of this section. The grid and the requirements of paragraph (d) of this section may be combined with any company forms. The previously approved format of the Daily Log, Form MCS-59 or the Multi-day Log, MCS-139 and 139A, which meets the requirements of this section, may continue to be used.

(2) Every driver who operates a commercial motor vehicle shall record his/her duty status by using an automatic on-board recording device that meets the requirements of § 395.15 of this part. The requirements of § 395.8 shall not apply, except paragraphs (e) and (k) (1) and (2) of this section.

(b) The duty status shall be recorded as follows:

(1) "Off duty" or "OFF."

(2) "Sleeper berth" or "SB" (only if a sleeper berth used).

(3) "Driving" or "D."

(4) "On-duty not driving" or "ON."

(c) For each change of duty status (e.g., the place of reporting for work, starting to drive, on-duty not driving and where released from work), the name of the city, town, or village, with State abbreviation, shall be recorded.

NOTE: If a change of duty status occurs at a location other than a city, town, or village, show one of the following: (1) The highway number and nearest milepost followed by the name of the nearest city, town, or village and State abbreviation, (2) the highway number and the name of the service plaza followed by the name of the nearest city, town, or village and State abbreviation, or (3) the highway numbers of the nearest two

intersecting roadways followed by the name of the nearest city, town, or village and State abbreviation.

(d) The following information must be included on the form in addition to the grid:

(1) Date;

(2) Total miles driving today;

(3) Truck or tractor and trailer number;

(4) Name of carrier;

(5) Driver's signature/certification;

(6) 24-hour period starting time (e.g. midnight, 9:00 a.m., noon, 3:00 p.m.);

(7) Main office address;

(8) Remarks;

(9) Name of co-driver;

(10) Total hours (far right edge of grid);

(11) Shipping document number(s), or name of shipper and commodity;

(e) Failure to complete the record of duty activities of this section or § 395.15, failure to preserve a record of such duty activities, or making of false reports in connection with such duty activities shall make the driver and/or the carrier liable to prosecution.

(f) The driver's activities shall be recorded in accordance with the following provisions:

(1) *Entries to be current.* Drivers shall keep their records of duty status current to the time shown for the last change of duty status.

(2) *Entries made by driver only.* All entries relating to driver's duty status must be legible and in the driver's own handwriting.

(3) *Date.* The month, day and year for the beginning of each 24-hour period shall be shown on the form containing the driver's duty status record.

(4) *Total miles driving today.* Total mileage driven during the 24-hour period shall be recorded on the form containing the driver's duty status record.

(5) *Commercial motor vehicle identification.* The driver shall show the number assigned by the motor carrier, or the license number and licensing State of each commercial motor vehicle operated during each 24-hour period on his/her record of duty status. The driver of an articulated (combination) commercial motor vehicle shall show the number assigned by the motor carrier, or the license number and licensing State of each motor vehicle used in each
